

Sumaiya Parvej

UI/UX Designer

sumaiyaprvj07@gmail.com | 9352654195 | Jaipur, Rajasthan, India | [Portfolio](#) | [LinkedIn](#)

PROFILE

UI/UX Designer with 2 years of experience designing intuitive, accessible, and user-centered digital experiences for web and mobile products. Skilled in user research, wireframing, prototyping, usability testing, and building scalable design systems and component libraries. Proficient in Figma, with working knowledge of HTML5/CSS3 to ensure design feasibility and close collaboration with development teams. Experienced collaborating cross-functionally with founders, product teams, and business stakeholders in Agile environments to turn complex requirements into seamless, responsive interfaces.

KEY SKILLS

- UI/UX Design: User Research, User Journey Mapping, Information Architecture, User Flows, Wireframing, Prototyping, Interaction Design, Design Systems & Component Libraries, Responsive Design, Usability Testing, Accessibility (WCAG)
- Design & Visual Storytelling: Presentation Design, Visual Communication, Information Hierarchy
- AI-Assisted Design Tools: ChatGPT, Claude, Adobe Firefly, Midjourney, Runway, HeyGen
- Tools: Figma (incl. prototyping), Canva, Adobe Creative Cloud (Photoshop, Illustrator), Visual Studio Code, GitHub
- Front-End: HTML5, CSS3, JavaScript, React.js (foundational)
- Ways of Working: Agile/Scrum, Design Thinking, Cross-Functional Collaboration
- Soft Skills: Creative Thinking, Problem Solving, Attention to Detail, Team Collaboration, Communication, Time Management, Adaptability

PROFESSIONAL EXPERIENCE

Freelance UI/UX & Digital Designer - Self-employed

Jan 2026 - Mar 2026 | Jaipur, Rajasthan

- Partnered with clients across healthcare and service industries to translate business requirements into user-focused digital experiences, visual assets, and communication materials.
- Improved website usability by refining information architecture, content hierarchy, page layouts, and responsive interfaces.
- Designed landing pages and digital interfaces while maintaining accessibility standards and visual consistency across platforms.

UI/UX & Visual Designer - French Tweets Pvt. Ltd.

May 2025 - Dec 2025 | Jaipur, Rajasthan

- Designed user-focused digital experiences, marketing creatives, and educational content that improved audience engagement and strengthened brand communication.
- Collaborated directly with the founder to define content strategy and create intuitive visual experiences aligned with business objectives.
- Used AI-assisted design workflows (ChatGPT, Claude, Midjourney, Runway, HeyGen, Adobe Firefly) to accelerate ideation and improve content delivery efficiency by 30-40%, building reusable design assets for consistency across campaigns.

UI/UX Designer - Jobskart

Aug 2024 - Apr 2025 | Kota, Rajasthan

- Designed and delivered user-centered, workflow-driven web interfaces that simplified user tasks and improved overall platform usability.
- Conducted usability testing, heuristic evaluations, and user feedback analysis; implemented improvements that increased user satisfaction scores by 80%.
- Created user flows, wireframes, interactive prototypes, design systems, and reusable UI components to support scalable, consistent product experiences.
- Collaborated with developers and product teams in an Agile/Scrum environment, applying WCAG accessibility and responsive design principles for seamless design-to-development handoff.

FEATURED PROJECTS

- Portfolio Website - Built a fully responsive portfolio site using HTML, CSS & JavaScript with a mobile-first approach.
- E-Commerce Platform (Concept) - Designed a user-centered shopping experience focused on accessibility, product navigation, and checkout flow.
- Fundraising & Donation App (Case Study) - Designed an end-to-end donation experience through UX research, wireframes, prototypes, and high-fidelity interfaces. Documented and presented the case study using an AI-assisted workflow while independently conducting the research and UI design.

EDUCATION & COURSES

Bachelor of Technology, Petroleum Engineering - CGPA 8.87 · Rajasthan Technical University, Kota · 2019 - 2023

Full Stack Web Development with React - Naresh IT, Hyderabad
